## EXHIBITION:

FREE Open until 2 June: 'Florence Mine' – Florence Mine is the last visual reminder of the once huge iron industry which dominated the West Coast of Cumbria. In this growing display, local people are sharing their memories and images of life and work at the mine – recorded stories, on film and still images.

Come and celebrate Egremont's Red Hills and add your own stories to share with the next generation.

### EVENTS:

27 April The Geology of Iron Making 2pm – 3pm

4 May The Iron Ore Railways 2-3pm

18 May Florence on Film 1:30 – 3pm
